10 <sup>th</sup> Rank	Bharati Sethi	Saraswati Sishu Vidya Mandira, Neelakantha Nagar, Brahmapur	574

### Approaches for Quality Improvement in Secondary Schools of Ganjam and Gajapati

#### Teacher's availability and gap assessment:

As per prevailing yardstick there have to be minimum seven teachers and headmaster in every secondary school. The retirement vacancies of teachers are not filled up directly but through contractual posting by abolishing regular scale bearing posts. Therefore school wise assessment of pupil teacher ratio (PTR) i.e. (60:1) will be done by the Inspectorate. So the Headmasters are instructed to submit the information in Annexure-A in order to move the proposal to the Govt. for creation of post and implement rationalization process at the earliest.

#### Continuance of class-x up to February end:

The Headmasters were advised to continue Class-X up to February end with some instructions how to achieve good result vide this Office Letter No. 22794 dated.12.12.2011, which should be adhered with letter and spirit.

#### Special focus for high achievers:

In the letter No. 22794 dated. 12.12.2011 all the Headmasters were asked to submit xerox copies of valued answer papers of high achievers of Test Examination-2011-12 to evaluate the same by Resource Teachers to find out the hard spots and suggest model answers.

#### Remedial coaching for low achievers:

Remedial coaching classes for low achievers of both IX & X shall be organized at the school level. In these classes hard spots of various classes will be discussed and solutions will be given to the children so that the percentage of pass of the circle will go up.

#### Replicable Model secondary schools:

All the Block Coordinators of the circle were requested to collect different strengths/ achievements of Govt. High Schools prepare a comparative statement and basing on the good performance propose the name of the Govt. High School to develop it as a replicable model school vide this Office Letter No. 24137 dated. 28.12.2011. In this connection Headmasters of Govt. High School are requested to supply information in proper format to concern Block Coordinator to identify the school and implement the scheme.
