ELIGIBILITY CRITERIA

The firm must be registered with respective authorities like Company of Register, GST, etc., as per rules. Valid copies of such registration certificates must be submitted. Copy of Income Tax Return for the last three years also to be submitted.

- i. The firm should in existence for over 5 year in the trade with the maintenance business of Computers/ Peripherals, etc. Last 3 Years balance sheet, profit & loss A/C) must be attached.
- ii. The firm should delivery immediate quick service.

SCOPE OF WORKS/SERVICES

The firm should agree to provide the following services under the contract to keep the system (as at Annexure-II) in good working condition. For this the selected firm has to carry out the following AMC works:-

- I. Scheduled preventive maintenance of all the components at least once in a quarter by furnishing a report unit-wise, reporting format as would be prescribed by the Collectorate, Ganjam.
- II. Immediate service should be provided by service engineers in the different Section of Collectorate, Ganjam on all working days.
- III. In case of necessity, the firm must be able to provide a machine in lieu of the machine/printer to be taken up for repair.
- IV. Immediate on-call corrective and remedial maintenance to be provided by the firm for making the system functional. This includes replacement of unserviceable parts as well as repair of the non - functional/mal-functional system. The replaced part will either be a new part/parts or equivalent in performance to new part/parts.
- V. In a situation where the selected firm suggest for replacing/repairing any defective components/items, necessary decision on this matter is the sole discretion of Collectorate, Ganjam.
- VI. The system to be maintained by the selected firm includes personal computers, Laser Jet Printers/ Multifunction Printers, Scanners, Servers, Laptops and UPS. The rate quoted should also cover the maintenance of operating systems, software installation, data recovery, pre-emptive actions against virus spread, detection/removal of virus, configuration of internet, configuration of application and connections of computers to projector for presentation.

The scope of software maintenance covers:

- i. Maintenance of all softwares already installed in the personal computers and peripherals and the softwares to be installed at later stages.
- ii. The number of items viz. PCs, Printers, UPS etc. may increase or decrease during the contract period and the chargeable amount payable to vendor will be calculated/adjusted accordingly on the basis of per unit price.

- VII. Any reported fault would be taken up by the service engineers within one hour. As far as possible, the repairs would be carried out onsite itself. A logbook shall be maintained in which the resident engineers shall record all the complaints made. All the complaints received shall be attended by them in following manner:-
- i. Minor faults (i.e except in case of major faults) should be repaired immediately.
 - ii. Major faults like Hard Drive Failure, Hardware related issue etc. within 48 hours by replacement method, with the available spares and replacement of spares where required.
 - iii. The firm shall be responsible for taking backup data and programme available on PCs before attending the fault and shall be also responsible for reloading the same.
 - iv. The backup copies are to be returned to the users, under acknowledgment.
 - v. If the equipment is required to be transported to the firm's/ manufacturer's service workshop for repairs, the same shall be undertaken at the risk and cost of the firm and with required acknowledgment.
 - vi. Repair and servicing of equipment can be carried out onsite or at the firm's workshop after attending the complaint by replacement method and the same shall be done within 7 days of the receipt of the complaints in case of major fault.
 - vii. Each Section of the Collectorate, Ganjam will keep record of machine failure including the nature of failure, date and time of booking the complaints, when the machine was made off and the total down time before calling the form, the computer etc need to be verified by DIO and recorded for repairs by the firm if required. This record would be signed by the firm's service engineer and users of different section of Collectorate, Ganjam not below the rank of Sr. Section Assistant as per the Schedule-II format as to be determined later on by the Collectorate, Ganjam for keeping this record as per the Annexure-IV. After the complaint has been redressed by the AMC firm, the same shall be countersigned by the Section Officer (IT Section) of Collectorate, Ganjam.
 - viii. The firms shall also be responsible for deployment of necessary staff for cleaning of all hardwares using suitable cleaning material and equipment. Each equipment has to be cleaned once in every quarter. A register shall be maintained showing cleaning of each equipment, and after cleaning of the same the user must certify it and after that it will be duly countersigned by Section Officer (IT).

- ix. Systems maintenance charges shall not include the cost of consumable and supply items such as ribbons, media like magnetic tapes, cartridges, printer bands, print heads, tractors, gears, sockets, covers of DMP, fuser assembly, Teflon sheet, power adaptors, encoder strips, pinch roller of laser printers, lamps and paper pickup, roller of scanner and any kind of plastic parts and computer stationary etc.
- x. Any damages caused by lightning/ rodents (like rat cuts) will not be covered under the scope of the AMC. In these cases the damaged accessories will be replaced by the firm on payment of cost by the Collectorate.
- xi. The firm/ company shall carry out preventive maintenance regularly and shall plan the activities, as per schedule of quantities, in such a manner that maintenance is carried out for each equipment at least once in months. A separate logbook should be maintained to record the preventive maintenance carried out on each equipment and got signed by Branch Officer(IT) at the end of every month.

The quarterly schedule of preventive maintenance shall be as follows:

- a. Cleaning of all equipment using dry vacuum air, brushing with soft muslin clothes.
- b. Running of test programmes to ensure quality print/data reliability.
- c. Checking of power supply source for proper grounding and safety of equipment.
- d. Ensuring that the covers, screws, switches etc. are firmly fastened in respect of each equipment.
- e. Shifting of equipment as and when required.
- f. Running of diagnostic software for system performance.

GENERAL INSTRUCTIONS/TERMS AND CONDITIONS

- I. Annual Maintenance Contract (AMC) required for computer/peripherals, installed etc. in the different Section of Collectorate, Ganjam.

The contract shall be initially for a period of one year from the date of awarding the contract. However, the contract may be extended for further period of two years (one year on each occasion) on mutual consent/agreement and on same unit price, terms, conditions and if services of the selected firm are found to be satisfactory during the contract period. Renewal should be proposed by either of the interested parties at least one month in advance prior to the expiry to the agreement. The Collectorate, Ganjam can terminate the contract with the selected firm at any point of time by giving one month advance notice in writing and mentioning the reason thereof.

- II. Subcontracting of AMC is strictly prohibited.
- III. The interested firm has to submit the tender papers addressing to the Collector, Ganjam (Nizarat Section) either by Speed post/ Regd.Post.
