

- **District Administrative set up**

- Subdivision - 3
- Blocks - 22
- Tahasil - 23
- GP - 503
- ULB - 18
- Municipal Corporation - 1
- NAC – 17

- **Demographic Information**

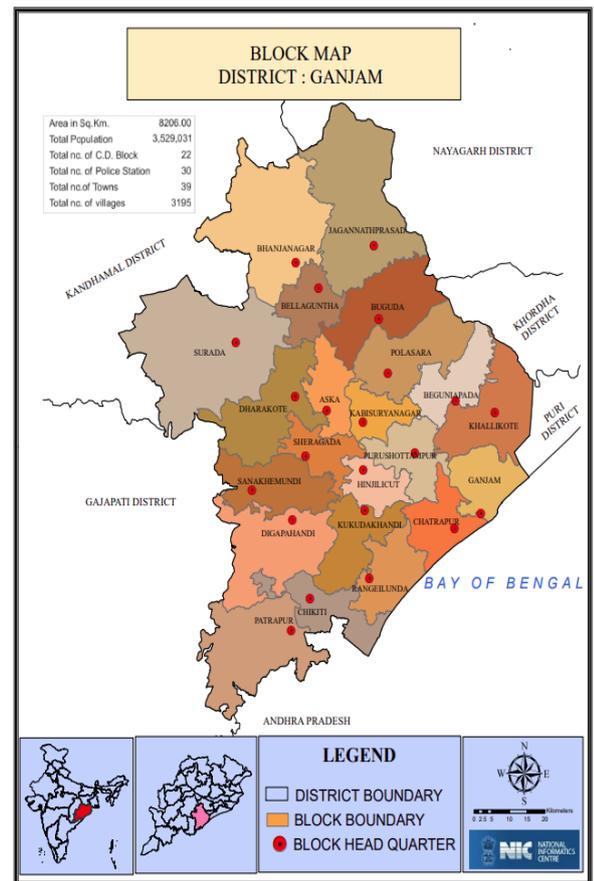

- Total Population – 35,29,094
 - : Male - 17,79,281, Female – 17,49,811
- Literacy Rate – 71.09%
 - : Male – 80.99%, Female – 61.13%

- **District Agriculture Profile**

- Cultivable Area (ha) – 3,87,000 ha
- No. of Cultivators – 2,84,943
- Normal Rainfall in mm – 1276.2 mm annually
- No. of Agril Laborers – 5,65,448
- Major agriculture produces – Paddy, Kewda essential oil, Cashew Nut, Coconut (Source – Department of agriculture and farmers empowerment – Govt. of Odisha)
- Soil Structure – Alluvial soil is found in the eastern part (coastal region) and laterite soil is mostly found in the western region (hilly table land) with small patches of black cotton soil in the Central region and in the north eastern region close to Chilika. The district's abundant agricultural yield can be attributed to the fertile soil.

- **District Industrial Information:**

- No of Large industries – 7 “Grasim Industries & Ferro Chrome Plant of Tata Group” and Smartchem Technologies Limited (STL).
- No of MSME Units – 1,510
- Major Exports (You may add 1 line on ODOP product)
Kewda, Cashewnut, Rice, Fish, Spices and Granite constitute the major exports from the District. Kewda is not just the biological indicator of Ganjam, but also, its contribution to the national perfume trade is around 50%. 90% of Kewda flower produced in the country comes from Ganjam.
- Major raw Material
 - Ganjam District has rich deposits of economically important minerals such as limestone, soapstone, china clay, fireclay, graphite, granite, manganese, monazite and quartz.

- b. Ganjam is home to several stone crushing and stone polishing units whose businesses thrive on the Black granite stones deposit.
- v. District Industry Associations- Ganjam has 15 actively working industry associations. These associations work closely with all the large and SMEs in the district. Some of these associations like Odisha Assembly of Small and Medium Enterprises (OASME) & Orissa Young Entrepreneurs Association (OYEA) are among those few MSME Associations which are working on a pan-odisha level. OASME has 3000+ MSME members' pan-odisha and around 125 members in Ganjam district.

- **District Industrial Infrastructure Information:**

- i. No of Industrial estate – 7 “Berhampur IE, Auto Nagar IE, Chatarapur IE, Ambapua IE”, Bhanjanagar IE.
- ii. No of Industrial Park if available – 4
 - a. Private SEZ – TATA SEZ,
 - b. Saraf Titanium Park.
 - c. Barapalli MSME Park
 - d. Hinjili MSME Park
 - e. Khairabethi MSME Park
 - f. Balarampur MSME Park

- **District Skill Development Information:**

- i. No. of High Schools - 671
- ii. No. of Colleges - 117
- iii. No of ITI Institutions - 41- 5 Government ITI's & 36 Private ITI's “ITI Berhampur & ITI Chatrapur are among the prominent ITI's of the region offering industry relevant courses like electronics mechanic, foundry man technician etc. ”
- iv. No of Technical Institution – 30 “Uma Charan Patnaik Engineering School, Berhampur School of Engineering & Technology(BSET), Indian Institute of Science Education and Research (NISER) Berhampur, National Institute of Science and Technology (NIST), Parala Maharaja Engineering College Berhampur, Roland institute of technology Berhampur, Kalam institute of technology Berhampur, Gayatri college of engineering and technology etc offer excellent industry relevant courses like Diploma in Mechanical Engineering, Post Diploma in Industrial Safety etc.”
- v. No of University – 2
- vi. No of Vocational Institutions – 37 “Siesta – Odisha Skill Development Authority Centre provides training to aspirants who want to join hospitality industry”

- **Dedicated banks for Small & Medium Enterprises - 5** “SBI SME Branch Berhampur Industrial Estate, HDFC Bank Bhanjanagar branch

- **Special Initiatives at the District to promote MSME growth/entrepreneurship development (Not events/trainings/promotional events)**

- i. Formulation of a verification committee to identify encroachment of IDCO Land in I.E. and to identify the un-utilized and misutilised land in I.E., so as to reallocate the land to a new and deserving entrepreneur.

Ease of doing business

Odisha has been one of the pioneers in integrating technology within the governance framework to ensure that a business-friendly ecosystem is developed in the state. Over the last two decades, the state government has taken several ease of doing business measures to improve the investor experience. Over 100 government to business services have been brought under the purview of Odisha Right to Public Services Act 2012 ensuring timely delivery of services to investors. The adoption of single window system and deemed approvals have further improved the business environment in the state and across all the 30 districts. District investment facilitation cells have been established to further enable the government to provide the best of services to investors.

Single Window Mechanism (GO-SWIFT)

- The Government of Odisha has developed the online Single Window portal, GO SWIFT i.e., Government of Odisha – Single Window for Investor Facilitation and Tracking, to transform the B2G interface through the entire investment lifecycle.
- GO-SWIFT has been adopted in order to leverage technology to provide all requisite information/clearances to investors in a hassle-free and paper-less manner.
- The portal is a **“One-stop Solution”** for

- Some of the **key features of GO-SWIFT** include:

○ **Single Common Application Form (CAF)** for all pre-establishment approvals

○ Access to **54 services** being provided by **18 departments** at one-place

○ **Unified payment gateway** with **trickle feed mechanism**

○ **Documents Archive facility** to store and retrieve documents

○ **Online Grievance Redressal Mechanism** for both Non-Industry and Industry users

○ Integration with the **National Single Window System (NSWS)**

Investment Facilitation

One of the key reform undertaken by the Government of Odisha in the last two decades has been the establishment of facilitation cells at the state and district level to support and guide investors willing to invest in Odisha. The establishment of these cells have further improved the investment climate in the state.

State Level Facilitation Cell (SLFC)

The SLFC is headed by CMD, IPICOL and is responsible for projects with investment above INR 50 Crores. A dedicated facilitation cell operates out of IPICOL to assist and provide hand-holding support to investors. The cell also has nodal officers from various line departments ensuring the investors all the support for the various industrial approvals.

District Level Facilitation Cell (DLFC)

In line with the SLFC, District Level Facilitation Cells (DLFCs) have been established across the 30 districts in the state to deal with projects having investments of less than INR 50 Crores. The DLFCs operate out of the District Industries Centres (DICs) and are chaired by the General Manager, DIC. Much like SLFCs, DLFCs also have district-level officers from all the line departments ensuring all requisite support to investors. An industry representative is also part of the DLFC to handhold & mentor prospective entrepreneurs.

Some of the key functions of the Industrial Facilitation Cell includes:

- Project, land and utility assessment for land allotment and approval by government
- Facilitate and follow up on the project approvals
- Facilitate deemed approvals for projects wherever necessary
- Conduct sensitization programs to build awareness amongst the investors.

Investment Approval Process

- The Single Window Clearance System in the State categorizes the proposed projects into three groups based on the total investment proposed.

| | | |
|--------------------------------------------------------------------------------|-----------------------------------------------------------------------------|------------------------------------------------------------|
| Projects with investment < INR 50 Crores | Projects with investment between INR 50 Crores to INR 1000 Crores | Projects with investment > INR 1000 Crores |
| Facilitation by DLFC | Facilitation by SLFC | Facilitation by SLFC |
| Approval by District-level Single Window Clearance Authority (DLSWCA) | Approval by State-level Single Window Clearance Authority (SLSWCA) | Approval by High-level Clearance Authority (HLCA) |
| Chaired by District Collector | Chaired by Chief Secretary to Government | Chaired by Hon'ble Chief Minister |

Industry Care

In order to resolve the issues and grievances of the investors in a timely manner, the Government of Odisha has established the “Industry Care” mechanism along with “Industry Care” field visits.

Industry Care Mechanism

- The industries can log their grievances/issues on the e-Suvidha portal through GO SWIFT. For industries with investment less than INR 50 Crores, grievances are put forth before the District Collector for resolution while for industries with investment greater than INR 50 crores, issues are put forth before Managing Director, IPICOL for resolution.

Industry Care Visit

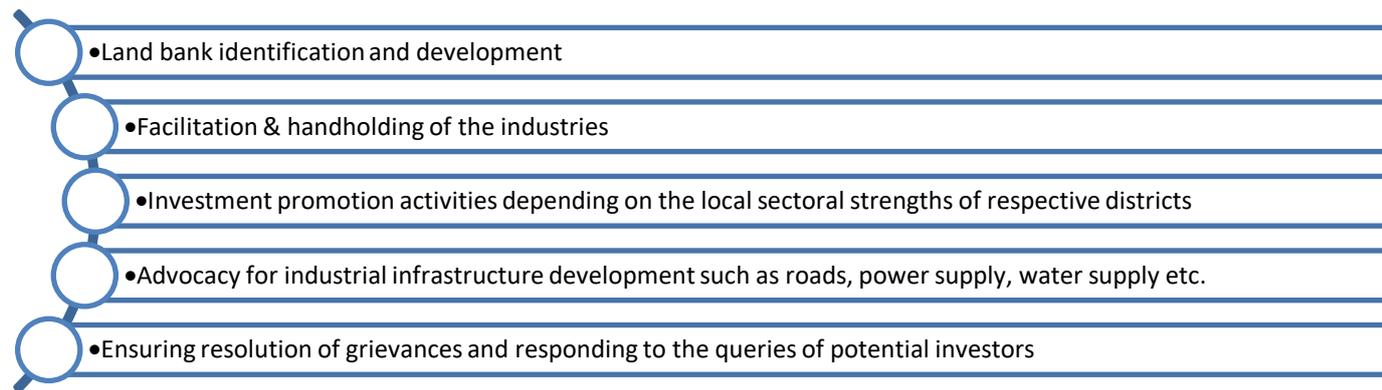

- Another key reform of the “Industry Care Mechanisms” is Industry Care Field Visits.
- A team of Senior Government of Odisha officials goes on field visits to districts to meet with industry representatives to understand their challenges and issues.
- During the meeting, the state team interacts with MSMEs as well as large industries looking to seek resolution for their grievances.
- The state team also interacts with various district officials from line departments to understand the district scenario in order to chart an industrial development path.

District Investment Promotion Agency (DIPA)

Keeping in view the increase in investment to the state and in order to ensure development of linked infrastructure facilities at a district level, the Government of Odisha has set up District Investment Promotion Agencies (DIPA) chaired by the District Collectors across the state. It is currently active in the 30 major industrial districts in the state. The District Collector is supported by a team of professionals at DIPA for investment facilitation, project monitoring and aftercare.

Some key roles of DIPA include:

DIPA is ensuring better facilitation and support at ground level, dedicated feedback mechanism on the ground level issues and regular monitoring at the central level resulting in high investor confidence.

Robust Policy Framework

The Government of Odisha has established a robust policy framework with special focus on priority and new age sector within the Industrial Policy Resolution while at the same time leveraging the strengths of the state through a progressive MSME and Start-Up Policy. These are further complemented by a set of sector-specific policies designed to cater to the unique demands of each sectors.

Industrial Policy Resolution 2022

The IPR-2022 focuses on:

- providing quality industrial infrastructure,
- creation of a large land banks,
- financial assistance to the private sector for development of industrial infrastructure and sustainable environmental protection.

In chapter 5A of IPR 2022, special focus has been accorded to large investments in new-age sectors like green energy equipment manufacturing, large-scale electronics manufacturing, aerospace etc. A special incentive structure has been designed for the new-age sectors to match and surpass the best-in-class assistance being provided to these industries anywhere in the country.

MSME Policy 2022

The Odisha MSME Policy 2016 has been developed to create a conducive environment for promotion and growth of MSMEs in the state. The objective is to provide opportunities to local entrepreneurial talent, facilitate MSMEs in accessing domestic and export markets and take concerted measures for sustainable, inclusive & balanced growth. The DICs at the district level act as the nodal agency for promotion of MSMEs in the state. The policy also focusses on development of MSME Parks in each district. Along with focus on infrastructure development, the policy also provides attractive fiscal incentives to investors in the MSME sector.

Start-up Policy 2022

The Odisha Start-up Policy 2022 envisages Odisha as a “World-Class Start-up Hub”. It has been designed to create and ecosystem promoting innovation and technological advancements. The Start-up policy further focuses on:

- Creation of world class physical infrastructure
- Promoting the culture of research and development through academic interventions.
- Institutionalizing the culture of entrepreneurship

The policy further outlines the creation of a Strat-up infrastructure fund to support development of hard and soft infrastructure for the start-up ecosystem and details out the assistance to be provided by the Government of Odisha to the Start-ups.

Sectoral Policies

One of the key focus of the Government of Odisha is broad-basing of industries with investment coming into the state across various sectors leading to increased employment and sustainable industrial growth. To achieve this objective, the state has come up with various sectoral and theme-based policies that will cater to the unique demands of each sector and theme in an effort to provide the best-in-class government support to investors. Some of the key sectoral policies include:

| | | |
|-----------------------------|----------------------------------------------|-------------------------------------------------|
| ICT Policy 2022 | Fisheries Policy 2022 | Apparel Policy 2022 |
| Food Processing Policy 2022 | Pharmaceuticals Policy 2022 | Renewable Energy Policy 2022 |
| Tourism Policy 2022 | Health Care Investment Promotion Policy 2022 | Aerospace and Defence Manufacturing Policy 2022 |
| Bio-Technology Policy 2022 | Odisha State Film Policy 2022 | Electronics Policy 2022 |

- **Industrial Infrastructure**

Industrial Estates

- Ganjam has 5 Government I.E. namely Berhampur I.E., Chatrapur I.E., Bhanjanagar I.E., Auto Nagar I.E., Ambapua I.E.
- Ganjam has 3 Park. Barapalli MSME Pak, Khairabethi MSME Park , Balarampur MSME Park, Private SEZ – TATA SEZ, Saraf Titanium Park.

- Auto Nagar I.E. is dedicated for Auto Industry, Chatrapur I.E. is dedicated to chemical industry and Ambapua I.E. is reserved for IT Industry.
 - Barapalli & Hinjili MSME Park is dedicated to multipurpose MSME Unit.
- **Industrial Sectorial Clusters**
 - Ganjam has 13 such clusters namely – Cashew, Handloom, Jagmohan Brun and Bell maker Cluster, Berhampur Handloom, Toys and Doll, Wood Turning and Lacquireware, Bishmapur Drass and Matel, Food Processing (Pickle, Papad etc), Rice Mill, Stone Carving, Power Loom and textile, Ayurvedic Medecine and Kewda
 - Kewra, Granite, Ayurvedic & Rice Milling Cluster
 - Berhampur handloom cluster has around 700 MSMEs associated with it.
 - In total, around 1644 MSME's are associated with all these clusters
- **Rail, Road & Port Infrastructure**
 - Ganjam has 89 Kms of railway line. 494 Kms of State highways, 210 Kms of National highways
 - NH 16 that connects Vishakhapatnam to Bhubaneshwar, Cuttack and Kolkata traverses through Ganjam
- **Gopalpur Port Infrastructure**

The port is connected to the Kolkata-Chennai railway line and National Highways and close to National Highway 16 (Kolkata-Chennai Highway). The port has 3 deep water berths and 2 dry cargo berths, each capable of handling 120,000 DWT. Port has 3 harbor mobile cranes of adequate capacity to handle cape size vessels. The port possesses adequate heavy equipment such as material handlers, mobile harbour crane, heavy lift cranes, pay loaders, fork lifts, trailers and tippers for swift cargo handling operations.
- **Central and State government schemes**

The Prime Minister's Employment Generation Programme is the most sought after scheme by the entrepreneurs in Ganjam with over 1415 loan proposals sanctioned since 2015. Over 1001 sanctioned proposals in the last 5 years, under the Mukhyamantri Krushi Udyoga Yojana, is a testament to the rapidly rising agro-based industries in the District. Pradhan Mantri Formalisation of Micro food processing Enterprises (PMFME) Scheme is gaining popularity amongst the rural entrepreneurs.

PMFME – 268 Proposals have been passed since the year 2018.
- **Skilling centers, vocational training institutions & Industrial training institutions.**

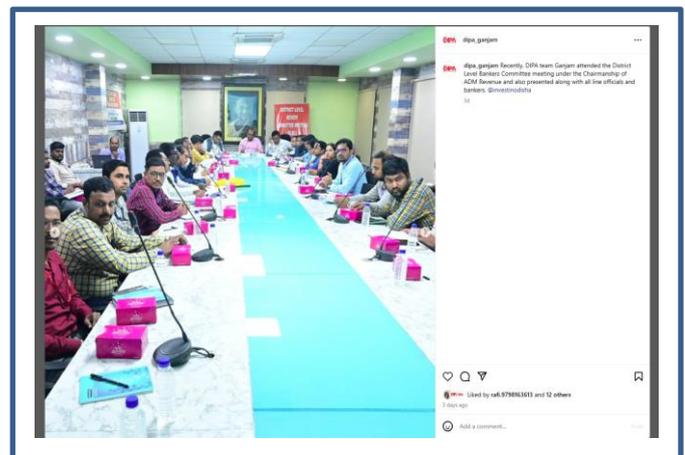

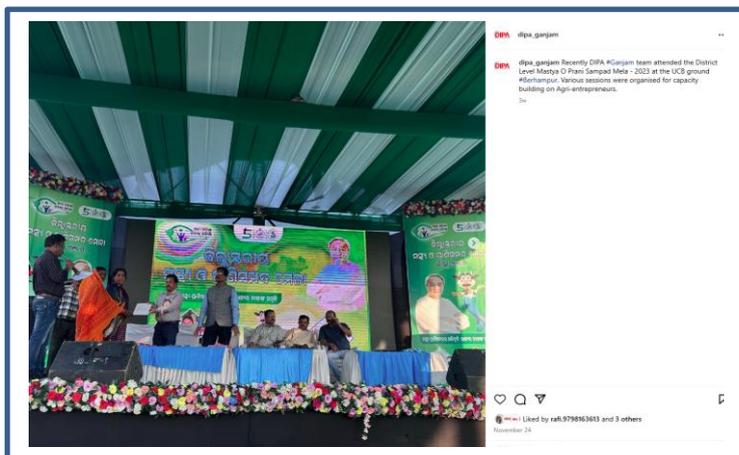

Ganjam has 41 Industrial Training institutions and 37 Vocational Training Institutions. ITI Berhampur & ITI Chatrapur are among the prominent ITI's of the region offering industry relevant courses like electronics mechanic, foundry man technician etc

Large industries in Ganjam

- IREL – Indian Rare Earth Limited - is a government-owned corporation Mini-Ratna Category A, Schedule B Company. Its largest division called Orissa Sand Complex (OSCOM) is at Chhatrapur, Ganjam.
- M/s Grasim Industries – It's a flagship company of the global conglomerate Aditya Birla Group, having a 91 KTPA plant of Caustic Soda in Ganjam.
- Saraf Agencies Private Limited has developed of a 260 Acre Industrial Park that has been granted the status of a Special Economic Zone (SEZ). This SEZ is called 'Saraf Titanium Park'.
- M/s Aska Co-operative Sugar Industries Pvt. Ltd is one of the oldest Sugar Industry established in the year 1963.
- Ferro Chrome Plant of Tata Steel SEZ Ltd. – A unit of the Tata Steel Group which stands amongst the leading global steel companies. It is the world's second-most geographically-diversified steel producer, with operations in 26 countries and commercial presence in over 50 countries.
- Mahadhan Agri Tech Limited (MTL) .- Mahadhan Agri Tech Limited formally known as Smartchem Technologies Limited (STL) is a 100% subsidiary of Deepak Fertilisers and Petrochemicals Corporation Limited, a publicly listed, multi-product Indian conglomerate with an annual turnover of over half a billion USD and a multi-product portfolio spanning across industrial chemicals, bulk and specialty fertilisers, farming diagnostics and solutions, technical ammonium nitrate, mining services and consulting and value added real estate.

Dear Sir

I want to extend our sincere gratitude for the exceptional support provided by DIPA team to Elate Crunchies. Your prompt assistance for our marketing, infrastructure and legal requirements, including securing NOC is really commendable. Now with your quick action & continuous support system, we got our NOC from the Panchayat, also made into a discussion with ORMAS regarding the marketing of our products, and setting up of our snacks processing plant at Chamakhandi Industrial Park area, easing out our operational challenges.

Thank you for being a crucial part of our journey. Your support means the world to us. We look forward for your continuous guidance & assistance for the plant set up & further journey of Elate Crunchies.

Thanks & Regards
From Elate Crunchies

11th May 2022

**Shri Hemant Sharma, IAS,
Principal Secretary, Industries
Chairman – IDCO & IPICOL, Govt. of Odisha**

Sub : We extend our sincere thanks for allotment of Ac. 3.0 of land for a Resort Project at Gopalpur-on-Sea at the 108th SLSWCA meeting held on 25/03/2022

Respected Sir,

While we express our gratitude to the Government for allotting the land in favour of Swosti Premium Limited, we beg to bring to your kind notice that when we visited the site with the District Administration of Gopalpur to see the land we were shown that there was a 40ft wide road leading to the sea beach from our proposed site. But in the meantime, the said land has been allotted to some other hotelier and presently there is no access to the sea beach.

IDCO has allotted the said land without consulting the District Administration which had made a master plan of connecting the 40ft wide road in front of the land at village Udayapur, under Konisi Tahasil in Ganjam District which has been allotted to Swosti Premium Limited.

In view of this we sincerely appeal before your august office to kindly direct the concerned officials of IDCO for creation of the 40ft wide road in consultation with the officials of the District Administration, Ganjam. Without any access to the sea beach the very purpose of a beach resort is defeated.

An early action shall be highly appreciated.

Thanking you
Most sincerely yours

Respected Sir,

We are thankful for the initiative taken by your good-self on "Industry Care" meeting on dated 23-12-2021, to facilitate and encourage the Industries of the District.

Against our grievances, readdress to you was immediately compiled by SBI of an amount of Rs.1.51 Lakhs (approx), which was greatly helpful for said MSME who was running post to pillar for settlement since 4-5 years.

Once again we thank you and your team DIPA for the effort that had been expanded to our unit .

We look forward to continue your support pertaining to the upliftment of Industries of your District as by your past patronage.

Thanks with regards.

Sub: - Letter of gratitude for resolving the local level resistance and agitation.

Dear Sir,

On behalf of Smartchem Technologies Limited (STL), 100% subsidiary of Deepak Fertilizers & Petrochemicals Corporation Limited (DFPCL), we thank Government of Odisha for extending their unflinching support to resolve the long prevailing resistance by Kalipalli villagers against industrialization inside the Tata SEZ, Gopalpur.

We sincerely acknowledge and appreciate the well-coordinated and steadfast efforts of Ganjam District & Police Administration which paved the way for withdrawal of this deep-rooted agitation. We also greatly appreciate the timely support and cooperation from the State Level Administration & Leadership, not only in terms of the crucial withdrawal notification but also for their able guidance to resolve this long pending issue.

It is beyond our doubt that all these were possible only with the blessings of Hon'ble Chief Minister of Odisha, Shri Naveen Patnaikji for whose kindness, we are sure & confident that we will now be able to set up the world class Technical Ammonium Nitrate manufacturing project at Gopalpur Industrial Park.

We assure you that despite our time and resource loss, we would not leave any stone unturned to fast-track project implementation and timely completion of TAN project.

We look forward to continuing this relationship and assuring you of our best intent for investment & partnership with Government of Odisha.

Thanking you & with best regards,

Yours Sincerely,
For Smartchem Technologies Limited
